REFLECT

For many years we have been looking forward to this day. Today we are starting a journey through one of the most complicated and controversial books in the Bible: the Revelation of Jesus Christ. There are many, many important lessons to be learned. As we begin this journey, the most important lesson is that the Book of Revelation is not primarily about the end of the world, the AntiChrist, or the Mark of the Beast. It is the Revelation of Jesus Christ. This entire book is about seeing Jesus clearly.
