REFLECT

One of the most challenging parts of our journey with Jesus is all the mystery. Sure, God explains many things to us, but not everything. Because God is infinite and we are finite, there is much that is mysterious about the Lord. And because of that mystery, we are called to walk by faith, not merely by what we can see. In our journey through the Revelation of Jesus Christ, we see the apostle John being reminded of the mysterious ways of God. And there is much for us to learn from it.

REALIZE

1. God keeps some things secret

- **Scripture Reference;** Deuteronomy 29:29
- **Leader Notes**
 - Sometimes God chooses to withhold things from us.
 - When God doesn't give us an answer we're looking for, the challenge is to focus on what we do know and trust when we don't understand.
- **Questions for Reflection**
 - How can I better trust God when He is mysterious?

2. Take the revelation if it comes

- **Scripture Reference;** Amos 3:7
- **Leader Notes**
 - When God does reveal truth to us we need to receive it.
 - God is eternal, all powerful, and the creator of everything.
- **Questions for Reflection**
 - What can I do to receive deeper revelation?

3. Eat the book

- **Scripture Reference;** Jeremiah 15:16
- **Leader Notes**
 - The word of God is food for us, the source of nourishment.
 - When you eat something you take it in and fully integrate it into your body.
- **Questions for reflection**
 - How can I transform my relationship with the word of God?

Optional Follow-up Questions:

- What makes you say that?
- How do you feel about that?
- How would you explain your answer to a non-Christian friend or neighbor?
- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
