## REFLECT

We all love having our favorite things “on demand.” Unlike at previous times, when you could only watch a program if you happened to be sitting in front of the TV at the show’s airing time or could only hear a song if it happened to be playing on the radio, today everything is at our fingertips. This is also true of God’s favorite songs. We have an entire book called “Psalms” that has the songs of God in them. As we begin this series, Pastor Daniel will be teaching from Psalm 19, one of his very favorite Psalms. We will see a simple truth, that we should always be learning. What is beautiful is that God is always ready to instruct us!

## REALIZE

### 1. Creation has much to teach

- **Scripture Reference;** Psalm 19; Genesis 1; Romans 1:18-20
- **Questions for Reflection**
  - How can I see God in what has been created?

### 2. God’s Word works uniquely

- **Scripture Reference;** Psalm 19; 2 Timothy 3:16-17; Hebrews 4:12-13
- **Questions for Reflection**
  - How can I get deeper into God’s Word?

### 3. It’s supposed to be personal

- **Scripture Reference;** Psalm 19; Psalm 139:23-24
- **Questions for reflection**
  - What is God trying to teach me personally?

### Optional Follow-up Questions:

- What makes you say that?
- How do you feel about that?
- How would you explain your answer to a non-Christian friend or neighbor?
- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
