## REFLECT

Unfortunately, there are many things in life that get overlooked. We often miss deadlines, forget to pay bills, and even neglect to take care of ourselves. In the busyness and relentlessness of our journeys, important things can fall by the wayside. This also happens in our spiritual lives. In the closing of our On Demand series in Psalms, Pastor Daniel is going to remind us of some things that we need to be sure not to miss. When we do these things, our lives will bear precious fruit and we will be God's gracious fragrance in our community and our world.

#### Optional Follow-up Questions:

- What makes you say that?
- How do you feel about that?
- How would you explain your answer to a non-Christian friend or neighbor?
- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
