### REFLECT

Essentially, life is experiencing the blessings of God. Life itself is one such blessing. If you have a pulse, you have been blessed by God. Unfortunately, we often don't take the time to notice or rejoice in these blessings. But God has not blessed us so we can just enjoy life. God amplifies our enjoyment of life by encouraging us to bless others with the blessings that we have received. How incredible! This weekend, join us as Pastor Daniel unpacks the Blessings of Psalm 67.

### Optional Follow-up Questions:

- What makes you say that?
- How do you feel about that?
- How would you explain your answer to a non-Christian friend or neighbor?
- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
