REFLECT

It is truly amazing to think about the church of Jesus Christ. In every nation, in every language, in every generation, there are people worshiping Jesus. The people of God surpass every human boundary. But what is even more amazing is to see how God took the message of Jesus from Israel and brought it around the world. It took courageous men and women, who were filled with the Holy Spirit, to simply respond to Jesus and bring the good news to others. This weekend, we will take a look at the very first cross-cultural missions trip of the early church.

- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
