REFLECT

The Lord is doing unique things here at Crossroads. As we simply respond to Jesus, we are constantly seeking to align our will with God's will. In this weekend's special message, we will take some time to look at what Jesus is doing in our midst and the fresh steps of faith He is inviting us to take in our Year of Uniqueness.

Optional Follow-up Questions:

- What makes you say that?
- How do you feel about that?
- How would you explain your answer to a non-Christian friend or neighbor?
- Why did God design it to work that way? Why not just do (whatever else) instead?
- What would you say to someone who disagrees with that?
- Why do we really have to do it like that? Why can't we just go (some other route) instead?
